# VIRTUAL CLINICS

The Massachusetts Instrumental and Choral Conductors Association (MICCA) and the Boston Symphony Orchestra want to help our state's music educators and students during this unique school year. We are now offering **FREE** virtual clinics for educators to use with students for a live, interactive clinic with a musician from the Boston Symphony Orchestra!

These virtual clinics are **FREE**, but will be granted on a **first-come, first-served basis**.

## FREE OF CHARGE

for all music educators working in the state of Massachusetts.

## THE CLINICS

- Occur virtually via Zoom
- Are instrument-specific
- Topics requested by the educator
- Between 30-45 minutes
- Can be used in both virtual or in-person classroom settings.

## AVAILABLE INSTRUMENTS

Flute, Piccolo, Oboe, Clarinet, Bassoon, French Horn, Trumpet, Trombone, Euphonium, Tuba, Violin, Viola, Cello, Bass, Percussion

## CLINIC TOPICS

These are only examples; YOU get to choose any topic relevant for your students. Some ideas include:

- Effective warm ups for brass instruments
- Q & A session with a musician
- Audition preparation (for college, festivals, etc.)
- Vibrato exercises for flutists
- Selecting proper trumpet mouthpieces
- Being a well-rounded percussionist
- The basics of string bowing and articulations

*These could be general in nature, or specific to a piece of repertoire; whatever works for you!*

---

Simply fill out the form below, then we will connect you with a BSO musician to select a time for your clinic.
